What is Hanukkah?

Hanukkah is a Jewish holiday celebrated over eight days and nights.

Hanukkah commemorates the rededication of the Second Temple of Jerusalem. It is also known as the Festival of Lights because candles are lit each night on a lamp known as a Menorah or Hanukkah.

Hanukkah begins at sundown on November 28th and lasts until December 6, 2021.

The Hanukkah Story

When a powerful ruler named Antiochus decreed that Jewish people were not allowed to practice their religion a group known as the Maccabees led a revolt against him. They won back their freedom and returned to their Temple.

Upon arriving at their Temple they found that it had been destroyed. There was only enough oil to light the Menorah for one night, but a miracle occurred and the oil burned for eight whole nights!
