Meeting called to order at 7:00.

Meeting started with Nicole Doyley speaking on Equity. Sunday November 22nd was going to be her wrap up conversation.

Teachers report: Jackie Sauter –

- Staff has been very grateful for the headsets
- Kids can go out on the playground. One group at a time
- Practicing safety drills
- Report cards go out 1st week in December. Parent teacher conferences will be done by zoom

Principal report: Dr. Kenny –

- Large shipment of computers coming
- Yellow zone – doing everything to keep kids in school. Testing students next week. Everything is changing very quickly. There will be a nasal swab. Results take 15 minutes. We need to stay out of orange!
- Pikmykid app – moving forward
- Over 100 veterans received letters from the kids at Cobbles
- Faculty meetings are more focused on diversity

Board of Education report: Lisa Chidsey –

- Parent consent for testing
- Updated budget calendar
- If parents do not consent, they can still be in school

Equity Committee: Mary Corcoran –

- Going to be reaching out to members of the community for more members. Working as a district, not school specific.

Treasurer report: Ari Elliott –

- Discussed budget. We have a lot of money to spend down. 70% toward our revenue. Welcoming ideas on what to spend on! Maybe speakers for equity committee?

We need a 5th grade moving up committee chair ASAP otherwise events will not happen for end of year. There are deadlines that need to be met. Lindsay will send out email via room parents.

Community builders (Heather, Jenn Mindy) – Decided against virtual events at this time (zoom fatigue)

Discussed dance fit! 11/18 teachers to kick it off at the end of SEL. Jackie helping to coordinate with teachers. So far raised \$6949.

Next meeting January 2021! Have a great Holiday!
